DECLARATION

In view of the fact that in the indicated Internet site none of the sections would open so as to have access to sample forms this declaration had to be made to the best of my knowledge and wit:

The undersigned, known indistinctly as ANDREW NOBL or ANDRES NOBL HOMONNAY, hereby solemnly swear that the utility invention for which I am requesting a patent is entirely of my own creation. While it has elements that exist widely and separately, as most elements of human knowledge and creation, I believe sincerely that I have brought those elements together in a way that the creation patented (GUARDISK) would offer distinctly novel advantages to its users and would be a definite help in the progress of civilization, humanity and the constant improvement of efficiency in the creation and production of human endeavours.

Washington, July 26, 2003.
